IGNITE will be launch online small group this Thursday at 7pm via Zoom. The focus of the small group will be to engage our teenagers in studying and discussing the Word of God in order to deepening their connection with God.

The next 5 weeks will be an in-depth study of Philippians. The lesson information is below:

Series Overview

This series is written for a small group setting on Zoom. The goal is to help students find joy no matter what life circumstances they face, including the economic, health, and personal issues we all face in light of the COVID-19 pandemic.

Philippians: Joy No Matter What

Week 1: Joy... In Every Circumstance

Bottom Line: Because of Jesus, we can experience joy in every circumstance – in good times and in difficult situations.

Bible: Philippians 1:9-11; 1:12-14; 1:18b-21 (NLT)

Parent Expectations

Though students in IGNITE are older and should exhibit more responsible actions, we ask that parents check in with their teens to ensure they are prepared for the small group. The lesson material will be available in plenty of time to be read and studied by each teen involved. As a parent, ask a few questions and engage your teen to ensure they have read the scripture and have input for the group.

Our awesome IGNITE teachers will facilitate the small group, but we expect our teens to engage the facilitator and each other. The discussion questions will be posted prior to the small group meeting time in order for students to prepare their responses and have great dialogue.

The Zoom link will be posted on the FOC Facebook page as well as emailed to parents (if we have your email). If you do not get the link from Facebook or email, please email me at rafealmarlow@gmail.com and I will send it to you.

Thanks so much for helping to IGNITE our Teens for Christ!
