We are excited to offer VZ ONLINE! For it to be most beneficial to our VZ students, here are a few expectations for our VZ parents.

- Please ensure your child has a device to view the online lesson.
  - Any device that can play a YouTube video will suffice.
- Please start the video for your child.
- Please watch the lesson with your child or at a later time so that you are aware of what he/she is learning.
- Engage your child with questions concerning the lesson.
  - Tell me 1-2 things you learned from the lesson?
  - How can you use what you learned at home/school/etc?
  - What did you think about the lesson? How did it make you feel?
- Complete the activity for each lesson (if possible). (note: a printer may be required)
- Complete the weekly memory verse with your child each day.
- Make the daily VZ confessions with your child or ensure they do it themselves (if they can read)
- Please take time and pray with your child throughout the week. Allow them to lead prayer.
- Re-watch the video throughout the week and participate in worship

As a VZ parent, you are the role model for your child. How you love, pray, believe, worship, engage the Word and exhibit the fruit of the Spirit all impact your child. Lead well by walking in love, living by faith and experiencing God's prosperity in every area of your life!
